## **RISKPAL'S TOP 10 TRAVEL TIPS TO KEEP YOU SAFE WHEREVER YOU GO**

### **1. COME PREPARED**

Check travel advisories provided by your government or other reputable sources.

### **2. WHEN IN ROME, DO AS THE ROMANS DO**

Familiarise yourself with the customs, traditions and laws of the destination you're visiting.

### **3. STAY CONNECTED**

Share your travel plans with friends or family members and maintain regular communication, especially during solo trips.

### **4. SELECT WISELY**

Use reputable, licensed and well-reviewed local providers, whether it is your accommodation, transportation, or tour operators.

### **5. PROTECT YOUR BELONGINGS**

Always keep your belongings secure, especially your travel documents such as passports, visas and bank cards.

### **6. ONLINE SAFETY**

Make sure that all your devices are fully patched; and your devices and accounts are protected with strong and unique passwords, multi-factor authentication and appropriate privacy and security settings.

### **7. DON'T LET YOUR GUARD DOWN**

Always pay attention to your surroundings and be prepared to act if necessary. Don't get lost staring at your phone or studying a map.

### **8. STRENGTH IN NUMBERS**

You will generally be safer when travelling with others. If travelling alone is unavoidable, then try to stay in busy public environments.

### **9. DON'T TAKE CANDY FROM A STRANGER**

While it's great to meet new people, exercise caution when interacting with strangers.

### **10. DON'T BE AN EASY TARGET**

Don't wear expensive accessories or carry large sums of cash. Be careful when withdrawing cash from ATMs.
